the charges of acquisition of land envisaged in S no 266 of Hariyur village for the construction of a maternity Hospital at Hariyur may be approved. We have still be met out of the closing balance of the NLF

9) As regards the payment of a contribution of Rs 10,000/, it has to be stated that there is no reference to it in the correspondence with the Director of the NLF. Further, it is a different subject altogether. The Govt should not have mixed up the two subjects. It is also too premature to sanction the amount as the land for the construction of the Hospital is yet to be acquired & the plans & estimates have to be prepared & formal sanction obtained. Hence in the light of these facts, the proposal may be ordered to be received after the plans & estimates are framed for the building.

---
